Re: FOIA Request for Quendall Terminals

Dear FOIA Officer:

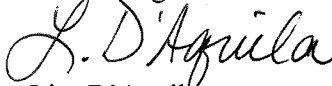

On behalf of Quendall Terminals, please accept this letter as a formal request for copies of certain records in the U.S. Environmental Protection Agency's ("EPA") possession concerning Quendall Terminals, located at 4503 Lake Washington Boulevard North, Renton, WA (the "Site"). The records we are requesting at this time are copies of Washington State Department of Natural Resources ("DNR's") response to EPA's CERCLA Section 104(e) information request. In particular, we request copies of DNR's response to the questions posed by EPA in its recent information request and any and all responsive documents.

Please forward copies of this information to me, along with your invoice for the costs incurred in responding to this request, and I will see that you are promptly reimbursed.

Thank you for your assistance with this request. If you have any questions, please feel free to call me at (425) 646-6124, Ms. Lynn Manolopoulos at (425) 646-6146 or Mr. James C. Hanken at (206) 689-1205.

Very truly yours,

Davis Wright Tremaine LLP
